

LANGUAGE DEVELOPMENT: Form and Function in Emerging Grammars

LOIS BLOOM

Research Monograph No. 59

THE M.I.T. PRESS

Cambridge, Massachusetts, and London, England

Contents

1. Form and Function of Children's Speech	1
1.1. The Form of Children's Utterances	3
1.2. Underlying and Superficial Linguistic Structure	7
1.3. The Function of Children's Utterances: Interpreting Semantic Intention	9
1.3.1. 'One-Word Sentences'	10
1.3.2. Syntactic Constructions	13
2. Description of the Study	15
2.1. Procedures for Analyzing Obtained Utterances	17
2.1.1. Linguistic Productivity	17
2.1.2. Speech Events	18
2.2. Generative Transformational Grammar and Analysis of Child Language	23
2.2.1. The Components of a Grammar	24
2.3. Grammatical Categories in Child Language	28
2.3.1. Rationale for Defining Categories	29
2.3.2. Procedures for Determining Categories	30
2.4. The Tentative Nature of Grammars of Early Child Language	32
3. Kathryn's Language at Time I	34
3.1. Kathryn II	34
3.2. Kathryn I	40
3.2.1. Pivot Constructions	40
3.2.2. Substantive Constructions: Noun + Noun	46

3.2.3. Structural Description of Noun + Noun Constructions	62
3.2.4. Kathryn I Grammar	68
3.2.5. The Reduction Transformation	70
3.2.6. Utterances Not Accounted For by the Kathryn I Grammar	75
3.2.7. Differences Between the Kathryn I Grammar and a Grammar for the Adult Model	78
4. Gia's Language at I and II	80
4.1. Gia I	80
4.1.1. Gia I Grammar	80
4.1.2. Utterances Not Accounted For by the Gia I Grammar	89
4.1.3. Comparison of the Gia I and Kathryn I Grammars	90
4.1.4. Differences Between the Gia I Grammar and Pivot Grammars	91
4.2. Gia II	91
4.2.1. Gia II Grammar	92
4.2.2. Utterances Not Accounted For by the Gia II Grammar	97
4.2.3. Comparison of the Gia II and Kathryn I Grammars	98
5. Eric's Language at I, II, and III	102
5.1. Eric I	103
5.2. Eric II	106
5.2.1. Productive Phrase Structures	106
5.2.2. Eric II Phrase Structure	111
5.2.3. Utterances Not Accounted For by the Eric II Grammar	113
5.2.4. Comparison of the Eric II Grammar with the Grammars Proposed for Kathryn and Gia	114
5.3. Eric III	116
5.3.1. Eric III Phrase Structure	126
5.3.2. Utterances Not Accounted For by the Eric III Grammar	130
5.3.3. Comparison of the Eric III Grammar with the Grammars Proposed for Kathryn and Gia	131
6. The Reduction Transformation and Constraints on Sentence Length	135
6.1. The Nature of Sentence Accretion	136
6.2. 'Telegraphic' Speech	139
6.3. Evidence for the Operation of Reduction	141
6.3.1. Reduction and Negation	148
6.4. Constraints on the Form of Children's Speech	164
6.4.1. Linguistic Constraints	165
6.4.2. Cognitive Constraints	168

7. Syntactic and Semantic Development of Early Sentence Negation	170
7.1. Semantic Categories of Negation	171
7.2. Phase 1 in the Development of Negation	174
7.2.1. Eric I to III	174
7.2.2. Gia I to IV	180
7.2.3. Kathryn I	185
7.2.4. Comparison of the Three Children and Summary of Phase 1	186
7.3. Structural Differentiation of Semantic Categories of Negation : Phase 2	189
7.3.1. Syntactic Negation at Kathryn II	190
7.3.2. Syntactic Negation at Kathryn III	193
7.3.3. Syntactic Negation, Eric IV to VI	202
7.3.4. Syntactic Negation, Gia V to VI	210
7.3.5. Comparison of the Three Children and Summary of Phase 2	214
7.4. Early Sentence Negation : Sequential Development and Interpretation	218
8. Learning to Talk	221
8.1. Strategies for Learning Language	222
8.2. Linguistic Expression and Cognition	227
Appendix A. Methods and Materials	234
A.1. Further Description of the Study	234
A.1.1. Kathryn, Eric, and Gia	234
A.1.2. Collecting Samples of Spoken Language	235
A.1.3. Transcribing Recorded Tapes	238
A.2. Description of the Toys Used in Collecting Language Samples	239
Appendix B. Data Analysis Form	241
B.1. Sample of the Form	241
B.2. Notations for Entering Nonlinguistic Information on the Data Analysis Form	242
Appendix C. Lexicon : Kathryn I Grammar	243
C.1. Lexical Items in Syntactic Contexts	243
C.2. Single-Word Utterances and Their Frequencies of Occurrence	247
Appendix D. Lexicon : Gia I Grammar	249
D.1. Lexical Items in Syntactic Contexts	249
D.2. Single-Word Utterances and Their Frequencies of Occurrence	250
Appendix E. Lexicon : Gia II Grammar	252
E.1. Lexical Items in Syntactic Contexts	252
E.2. Single-Word Utterances and Their Frequencies of Occurrence	253

Appendix F. Lexicon: Eric II Grammar	255
F.1. Lexical Items in Syntactic Contexts	255
F.2. Single-Word Utterances and Their Frequencies of Occurrence	256
Appendix G. Lexicon: Eric III Grammar	257
G.1. Lexical Items in Syntactic Contexts	257
G.2. Single-Word Utterances and Their Frequencies of Occurrence	258
Glossary of Notation and Terms	259
References	263
Index	267
